

# Summer Flounder, Scup, Black Sea Bass, and Bluefish Advisory Panels Webinar Meeting May 25, 2022 9:00 a.m. - 12:00 p.m.

## Meeting Objectives

The objectives of this meeting are for the Advisory Panels to: 1) review the alternatives under consideration in the Recreational Harvest Control Rule Framework/Addenda, 2) review comments received through the addenda public comment period, 3) receive a progress update on the Scientific and Statistical Committee's review of this action, and 4) provide recommendations to the Mid-Atlantic Fishery Management Council and the Atlantic States Marine Fisheries Commission regarding preferred alternatives.

## Connection Information

- [Click here](#) to join the webinar (if prompted enter Meeting number: 2345 294 4171; Password: CGs8DfV63yD)
- Audio Options: Once you have joined the webinar at the link above, you will be able to select your audio options. You may use computer mic/speakers or telephone for audio. If you have an unstable internet connection, we recommend using the "call in" option. To use your phone to connect to audio, first sign into the webinar link above, then look for the "call in" option (if you don't see this, look for the "use computer audio" button, which will have a little down arrow next to it that you can click on – that should bring up the "call in" option). That will give you a prompt with the phone number, access code, and Attendee ID#. Please make sure to use the Attendee ID# on your screen, as that will allow us to identify you on our end.
- Phone-Only Access: 1-415-655-0001. Access code: 2345 294 4171. Please only use this option if you are not connecting to the webinar on your computer or device. Otherwise follow the audio connection prompts to call in when you join the webinar.
