In the space provided below, please provide the Commission with any additional information which you feel would allow other Commission members and the public to fully understand your financial interest in fishing, fishery management, or the fishing industry.

As a legislator representing 10 of the most fishery-dependent communities on the East Coast I have tremendous interest in sustainable fisheries management. To some extent, my carpentry business is dependent on the secondary economic activity fishing generates, but I have no direct financial interest in any fishery.

All the information in this disclosure form is accurate and complete. If any information changes, I will notify the Commission and submit a new disclosure form prior to participating in a meeting of the Commission.
