REPORT OF THE ADMINISTRATIVE OVERSIGHT COMMITTEE
Dr. Daniel, Chair of the Administrative Oversight Committee (AOC), reported that the Committee had reviewed the FY12 Audit of the Commission and found it to be sterling, and noted that staff had done an excellent job. On behalf of the AOC Dr. Daniel recommended approval of the FY12 Audit. There being no opposition the FY12 Audit was approved as presented.

2014-2018 STRATEGIC PLANNING PROCESS
Mr. Beal asked the Executive Committee how they wanted to move forward with the 2014-2018 Strategic Plan – did they want a full blown visioning process as is currently being done by the Mid-Atlantic Council, or is it just a matter of tweaking the vision? He noted that there are changes to the driving forces, especially with regard to legislative issues.

Chair Diodati appointed a subcommittee to work with staff on determining a process for developing the next strategic plan. The committee is Doug Grout, Chair, Bob Ballou and Louis Daniel. This committee will report back to the Executive Committee at the Winter Meeting.

FUTURE ANNUAL MEETINGS UPDATE
Ms. Leach provided the schedule for the next several annual meetings. In 2013 we’ll be on St. Simons Island, GA (October27-31); in 2014 – Connecticut; 2015 – Florida; 2016 – Maine and 2017 – Virginia.

LEGISLATORS/GOVERNORS’ APPOINTEES REPORT
Mr. Abbott reported that the L/GAs were looking forward to the Blank-Rome workshop later in the week, where they hoped to learn more about working to help get the States and Commission funding from Congress. He also thanked the Chair for increasing the per diem to current federal levels.

OTHER BUSINESS/ADJOURN
Various issues were discussed by the committee. These issues included: a request by Doug Grout to have the Northern Shrimp Section meetings recorded and transcribed; a staff report that they are testing streaming audio of the quarterly Commission meetings this week and will go

live in December for the Menhaden Board meeting; and a recommendation that roll calls be conducted for every vote of significance once we go live.

CHAIRMAN PAUL DIODATI: There being no other business to come before the executive committee the meeting was adjourned at 8:55 a.m. so that the Committee could go into a closed session.

**CLOSED SESSION/EXECUTIVE DIRECTOR SEARCH**

At the closed session the AOC briefed the Executive Committee on the process used by the AOC to find a new Executive Director for the Commission.

Four candidates were interviewed in Alexandria, Virginia in September. There was a clear rank order after the interviews were completed, and after a conference call with the Executive Committee the AOC proposed bringing forward only one candidate. The Executive Committee agreed and the candidate was brought to this meeting for an interview with the full Executive Committee. Upon completion of the interview and a final discussion, the AOC moved that Robert E. Beal be appointed the Commission’s next Executive Director, effective immediately. The motion passed unanimously.

CHAIRMAN PAUL DIODATI: There being no other business to come before the executive committee the closed session was adjourned at 11:00 a.m.
Overview
The current ASMFC Strategic Plan expires at the end of 2013. The Executive Committee will meet at the Winter Meeting to establish a process to develop the next 5-year Strategic Plan. A subcommittee has been formed to develop options for consideration by the Executive Committee.

The 2009-2013 Strategic Plan generally reflects the overall direction of the Commission. However, consideration should be given for contemporary issues such as limited budgets, climate change, competing ocean uses, ecosystem considerations, etc. The Commission will also need to determine how the Commission’s Vision – “Healthy, self-sustaining populations for all Atlantic coast fish species or successful restoration well in progress by the year 2015” – will be addressed.

The process used to develop the current Strategic Plan was:
- Winter Meeting – 4-hour facilitated workshop
- Staff developed first draft of Strategic Plan
- Spring Meeting – 5-hour facilitated workshop
- Public comment period on Draft Strategic Plan
- Summer Meeting – Policy Board review public comment and draft wording, provided final direction to staff for edits
- Annual Meeting – Approval of Strategic Plan by Commission at Business Session

What process should the Commission use to develop the 2014-2018 Strategic Plan?
