ASMFC Summer Flounder, Scup & Black Sea Bass Board to Meet April 20, 2011 to Discuss Recreational Black Sea Bass Proposals

Arlington, VA – The Commission’s Summer Flounder, Scup and Black Sea Bass Board will meet via a web-based conference call on April 20, 2011 at 2:00 PM. The Board will consider approval of state proposals for their 2011 recreational black sea bass fisheries, as well as review and consider terms of reference for the upcoming black sea bass assessment. The Board chose to meet via conference call in April to provide the states the necessary administrative time to implement their measures before the start of the 2011 fishery.

Materials for the conference call can be found at the following link:
<http://www.asmfc.org/meetings/sfScupBSBboardApril2011.pdf>

To join the webinar, please go to: <https://www2.gotomeeting.com/join/122817674/105150830>. To join the conference call, dial 877/679-3924 and then enter the Passcode - 745341. For more information, please contact Toni Kerns, Senior FMP Coordinator for Management, at 703/842-0740 or <tkerns@asmfc.org>.

###

PR11-21

The Atlantic States Marine Fisheries Commission was formed by the 15 Atlantic coastal states in 1942 for the promotion and protection of coastal fishery resources. The Commission serves as a deliberative body of the Atlantic coastal states, coordinating the conservation and management of nearshore fishery resources, including marine, shell and anadromous species.
